Most clouds have a silver lining. This one has chocolate.

Most clouds have a silver lining. This one has chocolate.

← cut along the white line

cut along the white line

Instructions:
- Cut along solid lines
- Gently score along dotted lines with a bonefolder or scoring tool
- Cut the slits in the clouds
- Tape tabs to form a box
- Fill with Chocolate
- Give to someone who might be having a bad day.

When printing, be sure to select the option to fit to page to avoid cutting off any part of the image!
